Exclusive sponsorship of the IGLTA’s Leadership Think Tank held in conjunction with the 36th Annual IGLTA Global Convention. This year’s invitation-only, two-hour roundtable discussion will bring together C-Suite thought leaders from LGBTQ+ welcoming destinations around the globe and will focus on responsible tourism—specifically, how the LGBTQ+ travel segment can help address key issues facing so many city centers. A white paper from the session will be provided to the trade press and the IGLTA global membership.
